Marbella Sunset is an innovative project in Marbella consisting of 1, 3 and 4 bedroom apartments and penthouses, spacious and bright, in which to start a new life or enjoy unique moments in your vacations on the Costa del Sol. The spectacular sea views, the front line golf location and the avant-garde design are three powerful reasons to choose Marbella Sunset for your new home, the rest of the story is in your hands.

The Cabopino area of Marbella concentrates everything you could wish for. To the north, pine forests and golf courses like Cabopino golf. To the south, the protected natural area Dunas de Artola, which leads to the beach of Cabopino, a beautiful and secluded golden sandy beach of about 1,200 meters long, next to which you will find the marina of the same name.

Its configuration, with several heights, is expressly designed so that the light of the Mediterranean floods each of the houses. In the common areas, the water of its two swimming pools and the vegetation of its many landscaped areas merge into a perfect blend that invites you to relax and enjoy.

Each home in Marbella Sunset is unique, no two are alike. However, there is one thing they all have in common: space is the protagonist. Therefore, the floors of the rooms merge with those of the terraces, to create a feeling of openness towards the sea and the mountains. Their integrated kitchens invite you to share breakfasts, dinners, meals... All designed to continue creating memories.
