Property Description

Location: Fuengirola, Costa del Sol, Spain

The Edificio España is a modern construction designed by the prestigious Estudio A-cero of architects Joaquín Torres and Rafael Llamazares. On a floor plan of 1,200 square metres, the building is planned over three floors below ground level for garages, installations and storage rooms, with three and five floors above ground level for commercial premises and housing.

- In the centre of Fuengirola
- 350 metres from the sea
- Swimming pool and elegant interior gardens
- Top quality materials, with parking and storage rooms.

The most modern luxury

Edificio España will house 33 luxury flats and penthouses with the most modern equipment and the best qualities on the market.

Its elegant style makes this building an example of modern architecture in which everything has been designed with the comfort of its inhabitants in mind. It is born with the vocation of becoming an emblematic construction of Fuengirola and the whole Costa del Sol.
