Property Description

Location: New Golden Mile, Costa del Sol, Spain

The project is a modern and stylish development of 95 apartmentss and penthouses located in a central and privileged area on the New Golden Mile.

The development is close to everything you could wish for in the Marbella area: from golf courses and beaches to educational centres, entertainment options, shopping and dining options.
The elegant architecture of the buildings combines with open-plan interiors and a range of cutting-edge amenities make this project one of the most interesting new-build offerings on the market today. If you are looking for quality finishes, spacious interiors and terraces with sea and mountain views, this is the place for you. The development offers security entrance, private parking and storage, extensive landscaped gardens, an elegant swimming pool with sunbathing area, professional gymnasium, and co-work and meeting areas with cafeteria.

The development offers quality finishes in modern kitchens, bathrooms, wardrobes and technical installations, together with your choice of a range of textures, materials and shades. It is also possible to incorporate optional features such as modern gas fireplaces, kitchen upgrades and whirlpool baths in the penthouse. Full use has been made of the latest technical infrastructure and amenities to maximise performance and energy efficiency, resulting in homes that are not only more environmentally friendly, but also have the highest level of energy certification and low service and maintenance costs. A high standard of build quality combined with striking contemporary architectural styling, and open-plan interiors that flow onto spacious terraces overlooking the gardens, mountains and sea.

The ideal setting for a modern Marbella lifestyle
