A Glimpse of Aloha

Nestled in the prestigious Golf Valley of Marbella, Aloha is home to one of the most esteemed and meticulously maintained golf clubs in Spain. This private members club, having hosted the PGA Tour three times in recent years, ranks among the top courses in the country.

Spanning 6,293 meters (6,882 yards) from the white markers, the course demands precision from the tee and a deft touch around the greens. Its fairways wind through a landscape adorned with trees and lakes, offering spectacular views of the iconic 'La Concha' mountain and the Mediterranean Sea. Course designer Javier Arana enhanced the golfing experience by planting an array of trees and shrubs, which display vibrant colors throughout the year.

Aloha, with its rich amenities and tranquil environment, promises a lifestyle of both luxury and relaxation.
