An Unparalleled Andalucian Villa with British Elegance in Marbella

Our latest property for sale brings the best of Andalucia's charm and British sophistication under one roof in the heart of Marbella. This villa, a masterpiece of architectural grace, stands proudly amidst verdant, tree-lined boulevards, offering an oasis of tranquility and luxury.

Encircled by gardens that are a testament to British landscape prowess, courtesy of Christopher Masson, this property features a curated selection of botanicals and Bourguignon blooms. The villa's terraces, enveloped in lush foliage, offer serene retreats from the warmth of the Spanish sun, while the courtyards, dotted with wooden benches, present mesmerizing views of the mountains and meticulously groomed gardens, reminiscent of a grand plantation estate.

Within its walls, the mansion houses five lavish bedroom suites, each connected by corridors adorned with libraries, offering the ultimate in privacy and luxury with ensuite bathrooms. These bathrooms, each designed to reflect the bedrooms' unique color schemes, add to the villa's cohesive elegance. The bedrooms, with their opulent parquet flooring, are bathed in natural light, enhancing the soft textures and serene hues of their interiors.

The ground floor's living spaces are a study in refined luxury, with plush seating, striking cushions, and high ceilings that invite light and air, creating a sense of spaciousness. Open fireplaces add a touch of warmth during the cooler months, making every room welcoming.

The dining area, seating ten, offers panoramic views of the surrounding terraces and gardens, with large windows and doors integrating the outdoor beauty with the indoor charm. The kitchen, a marvel in itself, features an AGA-style oven and a convivial breakfast area, its design evoking a sense of timeless comfort.

Below, a fully equipped cinema room, an expansive wine cellar, ample storage, and a private garage for four vehicles epitomize luxury living. This villa, conceived by the visionary Proinsermant and brought to life by Jaime Parade and Cesar de Leyva, with interiors by Nicole Fabre, represents the pinnacle of elegant living.
