El Madroñal Villa in Benahavís – Refined Tranquillity with Coastal Elegance

Tucked inside the exclusive gated community of El Madroñal, Benahavís, this impressive villa offers a serene escape framed by the Mediterranean and mountains. With five en-suite bedrooms and over 1,370 m² of interior space, this is a property designed for both grandeur and comfort.

A private driveway leads to a traditional Andalusian-style entrance, opening into a double-height foyer. The main level flows naturally from a sun-filled living area to a formal dining room and a spacious kitchen with breakfast corner and laundry room. This floor also includes two guest suites and a flexible space perfect as an office or library.

Upstairs, the master suite enjoys a luxurious bathroom, dressing room, and private terrace with panoramic sea views. Two more en-suite bedrooms each open onto their own terraces, creating quiet personal retreats.

On the lower level, wellness and entertainment take centre stage. A full spa with heated indoor pool, gym, and massage area occupies one wing, while the other hosts a cinema, games room, bar, and wine cellar. Every floor is connected by elevator and features underfloor heating and air conditioning.

Outside, the beautifully landscaped garden includes a stunning pool, a covered gazebo with outdoor kitchen, and ample space for al fresco dining.

El Madroñal is known for its privacy, security, and natural beauty. Despite its peaceful setting, it's just a 10-minute drive to the coast, Puerto Banús, and Marbella.
