Timeless Villa with Views in La Alquería, Benahavís

In the heart of the tranquil La Alquería neighbourhood in Benahavís, this charming detached villa blends character, privacy, and panoramic views. Built in 2003 with enduring craftsmanship, the home offers an inviting one-level layout, highlighted by warm wood features and light-filled living spaces.

The villa boasts four bedrooms and two and a half bathrooms, including a serene master suite with a walk-in wardrobe and en-suite bath. A spacious living room with fireplace and an open-plan kitchen flow seamlessly into covered and open terraces, creating an effortless indoor-outdoor lifestyle.

Outdoors, you'll find a saltwater pool, BBQ corner, and chill-out zone, all enjoying a southeast orientation that fills the space with morning and midday sun. West-facing terraces at the rear provide golden-hour serenity for evening relaxation.

A rare bonus: a lower-level garage with space for six cars, plus laundry and storage. Even more, there's scope to expand—build up, or transform the back area into a self-contained apartment with private terraces and lush garden outlooks.
