Set just a short walk from the glittering coast and iconic Puerto Banús, Villa Beach Life is a fully renovated, single-level home that fuses architectural elegance with the effortless charm of outdoor Mediterranean living. Situated on a private 1,494 m² plot and offering 336 m² of built space, this property provides an ideal combination of privacy, light-filled interiors, and seamless open-air living.

The design is defined by its striking double-height entrance, clean lines, and floor-to-ceiling windows that bathe the interiors in natural light. The villa's flowing layout includes five spacious en suite bedrooms, a fully equipped open-plan kitchen with central island, and a cozy living room with fireplace and bespoke cabinetry. Neutral tones and natural textures create a relaxed, high-end ambiance throughout.

Every bedroom offers comfort and privacy, perfect for hosting family or guests in style. The home also includes two guest toilets, underfloor heating, and air conditioning.

Step outside to a resort-style garden tailored for sun-filled days and al fresco evenings. Located minutes from luxury shopping, dining, and the marina, yet tucked away in a peaceful beachside enclave, Villa Beach Life is a rare opportunity to own a turnkey, designer-level villa in one of the Costa del Sol's most prestigious neighbourhoods.
