Listed at €2,250,000, Penthouse Estelle is a fully renovated duplex penthouse in the prestigious Lomas del Rey development on Marbella's Golden Mile. Offering 3 bedrooms, 3 bathrooms, and 276 m² of built space including 114 m² of terraces, this elegant home combines contemporary luxury with comfort and convenience in one of the Costa del Sol's most sought-after areas.

Completed in 2006 and fully refurbished in 2024, this residence blends refined design with modern functionality. The open-plan living and dining areas flow seamlessly onto a spacious south-facing terrace, perfect for entertaining or relaxing under the Andalusian sun. The kitchen is fitted with premium Siemens appliances, stylish cabinetry, and stone countertops, complementing the property's modern aesthetic.

Every detail of this duplex has been carefully upgraded to ensure the highest living standard. Features include air conditioning with an AirZone system, underfloor heating, LED lighting, a built-in music system, and automated curtains — all connected to an advanced smart home system. The interiors showcase natural wood finishes, soft neutral tones, and elegant textures, creating a warm yet sophisticated atmosphere.

On the lower level, two en-suite bedrooms (one currently used as an office) open directly onto the terrace. The upper level hosts the master suite, offering complete privacy, a walk-in closet, a luxurious bathroom, and access to a private terrace with beautiful mountain and garden views.

Residents of Lomas del Rey enjoy a gated, low-density community surrounded by landscaped gardens and mature palm trees. Amenities include three swimming pools (one heated for year-round use), a well-equipped gym, and 24-hour security. The property also comes with two underground parking spaces with an electric vehicle charger and a storage room.

The location is exceptional — within minutes of Puente Romano's luxury dining scene, the beaches of Casablanca and Nagüeles, and elite golf courses such as Los Naranjos and Las Brisas. Families appreciate proximity to top international schools, while Marbella town and Puerto Banús are just a short drive away.

Penthouse Estelle at Lomas del Rey is ideal as a permanent residence, holiday home, or investment, offering the perfect balance of privacy, elegance, and coastal living on Marbella's Golden Mile.
