Property Description

Location: Nueva Andalucia, Costa del Sol, Spain

Nestled in the prestigious gated community of Celeste Marbella in Nueva Andalucía, this exceptional villa defines the art of contemporary living on the Costa del Sol. Priced at €4,495,000, it offers 3 bedrooms, 4 bathrooms, and 409 m² of built area on a 665 m² plot, combining architectural elegance with refined comfort in one of Marbella's most secure residential enclaves.

Designed as a statement of modern sophistication, the villa's striking geometric façade and soft palette of natural materials set the tone for a home that balances light, space, and tranquility. The interior layout embraces open-plan living, with a spacious lounge, dining area, and a fully fitted Siematic kitchen featuring high-end appliances. The home's fluid connection to the outdoors invites natural light through expansive glass doors that open onto covered terraces ideal for dining and relaxation.

Spread across four luxurious levels, the property is linked by a private elevator for seamless movement throughout. Every detail is crafted for both function and beauty – from underfloor heating and a Lutron smart home system to integrated Bang & Olufsen speakers and TVs. The design captures the essence of contemporary living, where technology meets timeless aesthetics.

The rooftop solarium with its private plunge pool and lounge area offers breathtaking views over the Golf Valley and La Concha mountain. Here, evenings are marked by sunset colours and serene privacy. The villa also features a private gym equipped with Eleiko fitness systems, a double garage, and optional space for a fourth bedroom, making it a flexible residence designed for modern lifestyles.

Fully furnished by Ambience Interiors, the home reflects understated luxury with warm textures and elegant finishes, ready to move in and enjoy. With its privileged location close to restaurants, shops, and golf courses, this villa combines the best of Marbella living – contemporary design, security, and effortless comfort.
