Property Description

Location: The Golden Mile, Costa del Sol, Spain

Lomas de Magna Marbella – Marbella Golden Mile

This villa in Lomas de Magna Marbella is listed at €2,650,000 and offers five bedrooms, four bathrooms, 550 m² of built space, a 128 m² terrace and a 550 m² plot, all set within a secure gated community on the prestigious Marbella Golden Mile. Its south-facing orientation fills the interior with natural light while giving the home a warm, inviting feel from the moment you step inside.

Spread across three spacious levels, the villa combines elegance with everyday comfort. The main floor opens with a generous entrance hall that leads into a bright living room connected directly to the terrace and private garden. The layout allows the interior and exterior to blend seamlessly, creating a relaxed atmosphere ideal for casual afternoons or weekend gatherings. The fully fitted kitchen sits just off the dining area, making it easy to enjoy home-cooked meals or entertain family and friends. This level also includes a sunny guest bedroom with its own en-suite bathroom, along with a convenient guest toilet. The overall flow feels natural and intuitive, offering plenty of room to move without losing the sense of warmth that defines the home.

The upper floor is dedicated to the two main bedroom suites. The master suite features a spacious bathroom, built-in wardrobes and direct access to a large terrace that enjoys partial sea views. The guest suite on the same level also opens onto the terrace, making it a pleasant and private retreat for visitors. The elevated position of this floor ensures a calm, quiet ambience while keeping natural light and views at the heart of the design.

On the lower level, you'll find two additional bedrooms that share a bathroom, a laundry room and a multipurpose room that can easily function as a gym, cinema, playroom or hobby area. Direct access to the two-car garage makes this level especially practical for daily living. Extra features such as hot and cold air conditioning, underfloor heating, a domotic system and a private lift connecting all three floors add comfort and convenience, enhancing the home's modern appeal.

Located within the exclusive Lomas de Magna Marbella complex, residents benefit from 24-hour security, beautifully maintained tropical gardens and two large swimming pools. The setting places you close to supermarkets, restaurants, international schools, luxury hotels and several golf courses. The beach, the Marbella Club and Puerto Banús are only a short drive away, giving you full access to the lifestyle that makes the Marbella Golden Mile so sought-after.
