Luxury Apartment in Lorcrimar, Nueva Andalucía

This apartment in Nueva Andalucía is listed at €689,000 with 2 bedrooms, 2 bathrooms, 92 m² of interior space and a 76 m² south-facing terrace within the Locrimar urbanisation. The home sits in a gated community close to the beach and local amenities, offering a calm setting with easy daily convenience.

The layout centres around an open-plan living area that connects smoothly to the expansive terrace, creating a natural indoor–outdoor flow. The kitchen is fully fitted with Siemens appliances, and the renovation completed in 2022 has given the home a clean, modern feel. Light travels easily through the interior thanks to the orientation and terrace depth, and the Airzone climate system adds practical comfort across three rooms.

Both bedrooms offer good proportions, with the primary feeling comfortable for regular use and the second ideal for guests or flexible living. The bathrooms are finished to a contemporary standard, keeping the overall design cohesive. A private parking space and a storage room add everyday functionality.

Locrimar features landscaped communal gardens and a large swimming pool, contributing to a relaxed environment for residents. Its position in Nueva Andalucía places it within walking distance of the shoreline, restaurants, and lifestyle services, making it suitable as a permanent home or a lock-and-leave base.
