Property Description

Location: The Golden Mile, Costa del Sol, Spain

Las Lomas del Marbella Club Villa in The Golden Mile

Listed at €8,950,000, this Las Lomas del Marbella Club Villa offers six bedrooms, seven bathrooms, 712 m² of interior space and 133 m² of terraces on a 1,811 m² plot in one of the most private pockets of The Golden Mile. Surrounded by mature greenery and positioned close to Puente Romano, the beach, restaurants, and international schools, it provides a rare balance of seclusion and convenience for those seeking a substantial home in a signature Marbella address.

The villa follows a classic Andalusian aesthetic, presented in excellent condition with warmth and character visible from the moment you step inside. Generous interior volumes create an inviting flow, with the main living area opening towards the gardens through wide, wooden-framed doors. Its layout suits both everyday living and entertaining, supported by a formal dining room, a spacious kitchen with ample cabinetry, and several relaxing corners where natural light becomes part of the ambience. The master bedroom stands out for its proportions and connection to the tranquil surroundings, while the remaining suites offer comfort and independence for family or guests.

Additional space is offered through a separate apartment, ideal for staff or visitors seeking privacy. The lower level enhances the home's lifestyle appeal, featuring a cinema room, wine cellar, games room, gym, and an office. These amenities support long-term living and allow the property to function as a complete retreat throughout the year.

Outdoor areas are designed for quiet enjoyment and social gatherings alike. Landscaped gardens frame a heated saltwater swimming pool, with sea, mountain, and countryside views creating a calm backdrop. An elegant chiringuito with a fully fitted kitchen, barbecue and sound system forms the heart of outdoor entertaining, complemented by covered terraces, sunbathing areas, and space for relaxed dining. A carport for three vehicles and private driveway complete the exterior. The villa includes underfloor heating, double glazing, air conditioning, a smart home system, solar panels and a comprehensive security setup.

Located within one of the most established zones on The Golden Mile, this villa offers privacy, space and a lifestyle rooted in nature while remaining very close to Marbella's most recognised landmarks.
