This villa in La Quinta is listed at €4,695,000 with six bedrooms, five bathrooms, 581 m² of interior living space and 110 m² of terraces, set on a 1,231 m² plot in Benahavís.

Villa Nova is a contemporary residence completed in 2021, designed with a clear emphasis on open space, natural light, and seamless transitions between indoor and outdoor living. The architecture is defined by clean lines and generous proportions, creating a calm and balanced atmosphere across the home. Floor-to-ceiling glass doors open the main living areas directly onto the terraces and garden, allowing light to flow through the interiors throughout the day.

The main living level is arranged around an open-plan lounge and dining area, connected to a fully equipped modern kitchen. The layout supports both everyday living and entertaining, with direct access to covered seating areas and outdoor dining spaces. Finishes remain modern and understated, allowing the architecture and surrounding greenery to frame the experience of the home.

Six bedrooms are distributed across the villa, each offering privacy, modern finishes, and access to terraces where stated. The property includes five bathrooms and two guest toilets, providing comfort for family and guests alike. An entertainment level adds another dimension to the home, featuring a cinema-style room with a bar, pool table, and projector screen, creating a dedicated space for leisure and social gatherings.

Outdoor areas are central to the design of Villa Nova. A large private swimming pool anchors the garden, surrounded by sun terraces, a poolside lounge with firepit, and multiple covered seating areas. An outdoor kitchen and dining area further extend the living space, offering a practical and inviting setting for entertaining throughout the year.

The villa features a south-east orientation and includes a private garden, private garage, and parking for up to three vehicles. Located in La Quinta, Benahavís, the property sits close to golf courses and within easy reach of Marbella and Puerto Banús, combining a residential setting with convenient access to amenities.
