Property Description

Location: El Madroñal, Costa del Sol, Spain

This villa in El Madroñal is offered at €10.800,000 with 8 bedrooms, 8 bathrooms, 1,445 m² of built interior space and 247 m² of terraces, set on a 5,100 m² plot within one of Benahavís' most established gated communities. Known as Villa Sienna, the residence has been designed as a contemporary hillside home that combines expansive interior volumes with wide terraces overlooking the surrounding landscape and the Mediterranean beyond.

Arrival at the property reveals a modern architectural composition designed to maximise views and natural light. The main living areas unfold in an open-plan arrangement where the lounge, dining space and kitchen are visually connected while remaining clearly defined. Large floor-to-ceiling windows draw the surrounding scenery into the interior and extend the living space toward the outdoor terraces and pool area. A contemporary fireplace anchors the living room, creating a central gathering point within the open layout.

The home provides eight bedrooms, each with an en-suite bathroom, arranged to provide privacy across the different levels of the property. The principal suite benefits from generous proportions, dressing areas and direct access to outdoor terraces. Additional guest accommodation ensures that the house functions comfortably for both family living and visiting guests, while circulation areas and natural light maintain a calm and cohesive atmosphere throughout the interior.

A series of dedicated leisure and wellness spaces expand the functionality of the residence. These include a private cinema room, a climate-controlled wine cellar, a Turkish bath and a sauna designed as part of a complete relaxation area. Outside, the landscaped terraces lead toward a heated infinity pool with automatic cover and saltwater treatment system. These outdoor areas are arranged for both quiet relaxation and larger social gatherings, with covered and open terraces providing flexibility throughout the day.

El Madroñal is recognised for its privacy, natural surroundings and elevated position in the hills above Marbella. Located within this gated residential estate, Villa Sienna enjoys access to the surrounding countryside while remaining within driving distance of Marbella, San Pedro de Alcántara and the beaches of the Costa del Sol. The nearby village of Benahavís offers a well-known culinary scene, while golf courses and outdoor recreation areas are easily reached from the property.
