Culmia Blue Views Istán is located in the Cerros del Lago residential development, in the beautiful village of Istán, in the province of Malaga. This charming town is a true oasis of tranquillity on the Costa del Sol, located just 10 minutes' drive from Puerto Banús, one of the region's most exclusive destinations.

Istán is an enchanting place in its own right, with its peaceful atmosphere and spectacular natural surroundings. It is located in an ideal area for those looking for a second home in a beautiful peaceful setting.

The development is blessed with a strategic location, a short distance from the Istán/A-7176 road, ensuring convenient transport links to the area's amenities and services and providing easy access to other areas of the Costa del Sol such as Marbella, Malaga and Estepona. Also, its proximity to Puerto Banús and major transport routes makes it an exceptional choice for those who wish to combine the serenity of a second home with proximity to urban facilities.

The path to your new life starts at Culmia Blue Views Istán.

Connections

- Malaga International Airport, 45 minutes.
- María Zambrano train station (Málaga) 1 hour.
- Marbella bus station, 15 minutes.

The Andalusian jewel between nature and the sea

Istán

Istán, a natural treasure on the Costa del Sol, surrounded by mountains and the serene Embalse de la Concepción reservoir. A place where nature and culture merge in a unique experience.

You will find exceptional natural surroundings, ideal for fishing, hiking and birdwatching in a peaceful atmosphere.

Istán is also noted for its cultural wealth. Visiting the Church of San Miguel and the Castle of San Istán will allow you to immerse yourself in its architectural legacy and experience a reverence for past centuries.

The cuisine in Istán is a culinary journey. Here you can savour traditional Andalusian dishes such as gazpacho, grilled sardines and paella, all prepared with fresh, local ingredients.

No borders

Culmia Blue Views Istán has excellent communications allowing travel to other areas of the Costa del Sol with greatest of ease.

The town of Istán is perfectly connected thanks to the A-7176 road and the AP-7 motorway, which connect the town with Marbella, Estepona and other towns. There are also bus services that connect Istán with other towns in the region.

Málaga-Costa del Sol Airport is located about 70 kilometres to the east.

11

Your new home

Culmia Blue Views Istán consists of a total of 22 dwellings of various types, including 1- and 2-bedroom properties distributed in three blocks. Most properties have a parking space and storage room.

The different property types and sizes allow you to choose the option that best suits your needs and lifestyle. Furthermore, the properties are distributed mainly towards the southeast and southwest, making the most of the natural light and offering bright and welcoming environments. All of them have stunning views of the sea and the Embalse de la Concepción reservoir.

Every element and detail has been chosen with precision to make Culmia Blue Views Istán your future home.

Views that captivate all five senses

From the heights of Istán, a dreamlike natural scenery unfolds that captivates the senses. Its views are a true gift of nature, immersing you in a world of serenity and unparalleled beauty. You will be lucky enough to enjoy the breath-taking views of the sea and the countryside surrounding the unique environment of Istán. As you look towards the Sierra de las Nieves, you will experience the fascination of an ever-changing postcard. As the day progresses, shades of gold and pink paint the sky, bathing the peaks in a golden light that is reflected in the serene waters of the Embalse de la Concepción reservoir.

The reservoir, a mirror of tranquillity that stretches as far as the eye can see. Its gentle waters reflect the grandeur of the surrounding mountains, creating an atmosphere of calm and reminding us of the purity of nature.

Every corner of Istán is imbued with the essence of nature, stretching from its footpaths through lush forests. Here, you can immerse yourself in the diversity of the local flora and fauna, a symphony of life perpetually unfolding in front of the residents of Istán.

Quality and comfort

Natural light will flood all the rooms in your home thanks to a layout that seeks to make the most of natural light, making every corner of your home breathe luminosity.

The main orientations are southeast and southwest, which will allow you to enjoy wide panoramic views of the sea and the impressive Embalse de la Concepción reservoir. This natural environment will become the perfect setting for your moments of relaxation and contemplation.

The kitchen is the heart of the house. In addition to the essential appliances, you will find a dishwasher, washing machine and refrigerator, which will make your daily chores easier and add a modern touch to your kitchen routine.

When it comes to storage, most rooms have wardrobes, which means you'll have plenty of space to organise your belongings neatly and efficiently, keeping your home uncluttered and cosy at all times.

Your new home is a perfect combination of design, quality and functionality.

A space for everyone

Your house will become the ideal place to enjoy a carefree life, with the perfect combination of spacious terraces, quiet location and urban development.

The common areas are undoubtedly the ideal place to turn any day into an occasion for sharing and enjoyment.

The residential complex has a communal swimming pool where you can relax and enjoy the sun.

Destination Sustainable

We are making this journey together, which is why at Culmia we work to create spaces that respect the environment.

Destination Innovation

This could be the second stop on our journey. We are a property developer that has emerged from change, and we aim to be different whilst ensuring that your home doesn't lose its essential features.

Destination Experience

Here we pave the way to your destination; a journey to your new home where, should you decide to join us, we will take care of everything.

Who we are

We are a leading residential property project management platform in Spain with an innovative proposal for comprehensive management that applies to all the phases of a property's development.

Our strategic plan has three main business areas: build-to-sell (BTS), build-to-rent (BTR) and affordable housing. We develop residential solutions designed to respond to the evolution of our customers' needs.

Since 2013 we have built more than 6,000 homes across Spain. We have an investment plan in strategic sectors located in Spain's main cities.

Now, we are made up of a multi-disciplinary and experienced team in the property field composed of around 150 professionals distributed throughout 10 delegations in the whole country.

We have a story to tell

Banco Sabadell property development activity starts.

2013

The property developer's first residential development projects in Barcelona: Sancho de Ávila 15 (Sant Martí) and Mestre Nicolau (Sarrià-St Gervasi).

2016

Property development activity is separated from marketing at the end of 2018.

CULMIA
2020

"Plan Vive" concession.

2023

2011

Consolidation of Banco Sabadell's property development structure.

2013

Start of the provision of delegated development services.

2018

SDIN Residencial no longer forms part of Banco Sabadell and is renamed CULMIA.

2021

Concession of Plan Vive II and two lots of the Affordable Rent Plan from the City Council of Madrid.
