OIA

A private pool with sea views on Marbella's exclusive Golden Mile. This is Oia, a fully renovated penthouse in the prestigious Jardines Colgantes gated community, featuring 3 en-suite bedrooms.

The balance is perfect. Mediterranean facade meets sophisticated, minimalist interiors with bespoke finishes and a muted palette.

On the main floor, a fully equipped kitchen with a central island for sharing moments. A dedicated wine space, a dining area by the sea-view window, a spacious living room with TV, and a terrace perfect for outdoor dining. For maximum comfort, there's a guest toilet and a convenient laundry room.

Two en-suite bedrooms complete the ground floor. The master suite is divided into two areas: a restful zone with access to a private terrace, and a second space featuring a walk-in closet, bathroom, makeup table, double sink, and a rain shower by the window with breathtaking views, plus access to another terrace with an outdoor bathtub.

The upper floor is made for enjoying the landscape and climate. An immense terrace with a barbecue, bar, sunbeds, outdoor shower, and an infinity pool with overwater sunbeds, all with panoramic sea views. Plus, a third en-suite bedroom that offers complete privacy for guests.

Nestled in the mountains of the Golden Mile, this penthouse is moments from scenic hiking trails and a short drive from Marbella's finest beaches, top-tier amenities, and the exclusive Puente Romano resort.

Golden Mile, timeless beauty and elegance

The Golden Mile has become the benchmark for elegance since Marbella transformed from a charming fishing village into a haven for royalty and the jet set. It's not a specific neighbourhood, but rather a district that stretches along the coast between Marbella town centre and Puerto Banús. In this strip, elegant stunning beachfront properties grace the shores of the Mediterranean and coexist with designer stores, art galleries, the finest restaurants, and hotels where guests would happily stay forever. With the Sierra Blanca mountains as a backdrop, the views from any angle are perfect, setting the stage for a tranquil life by the beach, with that relaxed vibe while being within walking distance of everything.
